Referendums:

R52---"Jobs Act"--YES

This will help to create 30,000 construction jobs in Washington state through the sale of bonds.

Initiatives:

1053---NO

This will severely restrict the legislature by requiring a 2/3's majority on all tax related legislation. This is heavily supported by big business.

1082---NO (go to "Downloads" to find a flyer)

This is a move to privatize your L & I compensation system. If you thought it was tough filing and collecting on a claim now, this will make it your worst nightmare!

1107---NO

A move to end the user tax on candy, soda and bottled water. This will impact funding for basic healthcare, education and seniors and kids.

1100---NO

The privatization of hard liquor sales will cost 1000 union jobs by closing state run liquor stores.

1105---NO

This is tied to 1100. The closure of state liquor stores will leave a large hole in the collected revenue. This initiative is to raise taxes to fill that hole.
