American Red Cross

Red Cross offers community training for Pierce, Lewis, Thurston, Mason and Grays Harbor counties. Our modest fees (average $70.00) support this high quality training. Course fees help us to generate financial support for vital Red Cross services. Note that due to updates to curriculum and programs, courses and fees are subject to change at anytime. Our "basic" courses offer a limited number of scholarships, available to individuals on a first-come-first-served basis. We simply ask that you always pay what you are able. Our scholarship program supports the Red Cross principle of making "basic safety training" available without financial barriers.
